## Atmanirbhar India: Role of Smart Education for Smart Product Showcasing Uniqueness of Smart City

Prime Minister of India, Shri Narendra Modi Ji and his team is ready to nurture India towards Atmanirbhar Bharat through their visionary approach. Make in India, Skill India are fantastic programs in the same note from Central Government.

Being educationists, the responsibility comes at our shoulders to move hand in hand for bridging the gap between technical and secondary education. We, **KIETians** as **NIRF and NAAC accredited top institute** of State Technical University and **NBA accredited, approved research centre** as a Department, are ready to take this challenge as an opportunity and work accordingly and request you to be a part of it.

You may see our efforts and connectivity round the world through the progress of our Almamater who were nurtured by your experienced team till secondary education and we received a chance to cultivate them technically further. The results of our togetherness are taking shape in the form of a brilliant and Atmanirbhar Indian citizen. We are really proud of it and would like to share your contribution with you too.

In same line of action, we invite you initially as a National Advisory Board Member for the 5<sup>th</sup> Biennial International Blended Conference on "Innovative applications of Computational Intelligence on Power, Energy, Control and its impact on Humanity (BCIPECH-22)" on 4-5 Nov, 2022.

BCIPECH-2022 would be in a line of series CIPECH which has already been organized four times successfully in 2014, 2016, 2018 and 2020 by the Department of Electrical and Electronics Engineering, KIET Group of Institutions, Ghaziabad, Uttar Pradesh, India.
